桌脚生产车间 / Commercial Table Bases & Custom Metal Fabrication

Since 1958, the Jacobs family has been manufacturing commercial-grade table bases trusted by restaurants, hotels, casinos, healthcare facilities, and commercial environments around the world.

Today, Jacobs International proudly manufactures cast iron, steel, and stainless steel table bases built for demanding commercial applications. In addition to our standard product offering, we provide custom metal fabrication and engineered solutions designed to meet the unique requirements of each project.

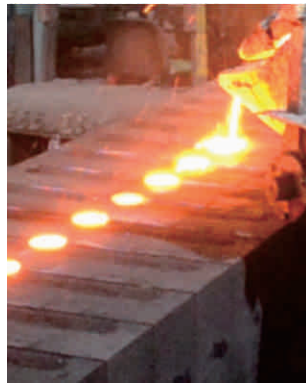

Whether you need standard pedestal bases, custom fabricated designs, or a complete project solution, our experienced team delivers the quality, durability, and dependable service that have earned the confidence of customers for decades.

Why Customers Choose Jacobs International

- Commercial-grade cast iron, steel, and stainless steel table bases
- Custom metal fabrication and engineered solutions
- Manufactured in our Shenzhen production facility with rigorous quality control
- Direct shipment to your warehouse or project site
- Responsive support from experienced U.S. and China-based teams
